

## NOTE TO AUTHORS

Manuscripts in the journal "Bulletin of Agricultural Science of Uzbekistan"  
must meet the following requirements :

1. Articles should be concisely presented whereas its methodological description including discussion of data and conclusion of the author must be concise. It is strongly recommended to organize the structure of the article as follows: first, give annotation in the language in which the article is written, then use subtitles - introduction, materials and methods of research, results and discussion, conclusions, references and abstracts on Russian ( Uzbek) and English languages.
2. Articles submitted to publication must have certified approval from relevant institutions, expertise committee and two references, one of which must be from Honored Professor of the particularly institution. Must include a list of references and abstracts. Article, references and annotations should be recorded on CD (font size 14 , Times New Roman).
3. Entire paper must not exceed 5-7 papers with 1,5 space and with following margins: 3cm on the left, 1,5 on the right, 2 cm both upper and below margins. It is worth to mention that not more than 2 articles of the same author are published.
4. It is recommended to submit two copies of article. On the top left corner of given article, author(s) is/are encouraged to indicate JEL code. Tables and figures must be numbered. Recommended language of submitted articles should be Uzbek, Russian and English. On a separate paper must be annotation, not more than 15-20 lines, in Uzbek, Russian and English languages.
5. Tables and illustrations must be limited in numbers (not more than 2-3 tables) and every and each table/illustration on separate paper. It is not recommended to utilize same table/illustration more than once in a given article. Names of tables must be posed to each table with consecutive numbers (Table 1, Table 2...). In appropriate places and contents of given article references to the table should be indicated (Table 1, Table 2).
7. The list of references should be made in accordance with GOST 7.1-76 " Bibliographic description of printed works. The works are arranged alphabetically by author name. In addition to this, firstly goes works done in Uzbek and Russian languages, then comes foreign language works. Selected works of the same author are arranged in chronological order. For journal articles indicate the names and initials of authors, book title, city, publisher, year of publication. It is allowed only standardized abbreviations. All of the quotes in the article must be verified by primary sources. Strongly encouraged to list cited works carefully. Please indicate references on the separate page.
8. Authors strongly encouraged to use physical units, decimal prefixes and their abbreviations in accordance with the state standard "units of physical quantities" which is based on the International System of units(SI).
9. Submitted article(s) should be signed by the author with his/her surname, first name and patronomic, full postal address, place of employment and proper phone number. If there are multiple authors article must be signed by all authors.
10. When submitted articles send back to author for editions, corrections and improvements, it is presumed authors are given three-month period to complete after which author(s) work considered as a new submission.
